SUMMER READING INSTRUCTIONS: Below, you'll find your summer reading BINGO recording chart. If you've never played BINGO, the point is to fill in five boxes in a row (horizontally, vertically, or diagonally). You can choose the short stories, nonfiction articles, fairy tales, fables, or myths that you would like to read. However, the point is to read a variety of texts. This helps you realize the genres that you enjoy reading. After you have read your selection, mark it off the BINGO chart and fill out the reflection.
